"Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." I Peter 3:156

Students:

A new water bottle filler has been installed in the hallway fountain. It works really well!

Students are settling in to their schedules. Requests for class changes should be made at the office.

The annual freshman/sophomore mixer will be next week Friday, September 6. More details will follow in an email to the parents and students this week.

We are looking for a few senior students to serve on the chapel committee. See Mr. Regnerus if you are interested.

General:

We have begun our 12th year of secondary covenantal education. There are a few staffing changes of which we take note. First, we welcome Mrs. Katrina Burgers to our teaching staff. Secondly, Mrs. Kuiper is taking over the athletic director responsibilities. Finally, Mrs. Bloemendaal is stepping into the role of guidance counselor. We pray for God's blessing on the new year.

Progress has resumed on securing the entry. If you find yourself locked out of the main entry, look at the metal box on the north wall. Press the green button and someone will let you in.

A most sincere thank you to everyone who volunteered to help with the library this summer! We have almost filled our current bookcases, and we could not have done it without all of your assistance. Thank you!

Did you know that Trinity is in the minority, albeit a good one? Forty-one percent of Iowa's high schools received a letter congratulating them on having zero ejections of players, coaches, or fans from sporting events in 2018-2019. We received such a letter this year again. By God's grace, let's continue to conduct ourselves in a way consistent with the name Trinity Christian.

Even if you can only help one game, let Mrs. Kuiper know. We love MANY volunteers! You can email her at kuiper@trinitychs.org, or text at 712-451-9329.
