*"Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." I Peter 3:156*

## Students:

All underclassmen who need repairs done to their computer, must bring their computers in next week. Those who do not need repairs do not need to turn in their computers at this time. *Mr. Westra*

Final report cards will be emailed to each home no later than noon on Friday, May 22.

## General:

Graduation ceremonies for Trinity Christian High School have been postponed to Wednesday, June 17.

Mr. Westra has signed a part-time contract for 2020-2021. We are thankful for his willingness to continue on our staff, even if in this limited way.

Trinity Christian High School is looking to fill the technology coordinator position. Anyone interested should contact the school.

## *From the Athletic Director:*

We are still hoping to be able to play our summer sports, baseball and softball. We should know more by June 1. With the hopes of playing, we are looking for the use of a 4 wheeler and/or a Gator for the field work before and after practices and also for game nights. If you have something that we could borrow for the season, please contact Laura Kuiper. Her email is [lkuiper@trinitychs.org](mailto:lkuiper@trinitychs.org) or cell number is 712-451-9329.

As we did not have an Awards Night this spring, below is a list of recognitions our seniors received.
