*"Praise the LORD, call upon His name, declare His doings among the people,  
make mention that His name is exalted." Is 12:46*

## Students:

There is a 2:30 dismissal on Thursday, Oct. 8.

## General:

The data is showing that, at least to some degree, there is COVID amongst our constituency. Our absenteeism is up slightly, in some instances due to students quarantining on account of a family member's positivity to COVID, and in other cases due to students themselves feeling ill. Let's continue to practice reasonable caution. Teachers are putting in extra effort to keep absent students current in their studies.

## Hot Lunch

Served at 11:45 AM; **12:05 on Chapel/Assembly Days** Please provide your own plates & napkins; silverware provided.  
There are 79 students, 8 Faculty.
