*"Praise the LORD, call upon His name, declare His doings among the people,
make mention that His name is exalted." Is 12:46*

Students:

First semester exams are scheduled for Monday through Wednesday, December 21-23. We will be finished by noon on the 23rd.

General:

From the Teacher Appreciation Committee:

During the month of November, we would like to express our thankfulness to our teachers by giving them K-cups to enjoy throughout their school days, as they recently received a Keurig in their faculty room. Coffees of all sorts, hot chocolate, teas, etc. are more than welcome. There is a K-cup drop box in the hallway at school that will remain in place throughout the entire month. Let us shower our teachers with K-cups and keep them supplied for the rest of the year!

We are again planning on doing a J-term. You will remember that "J" means January, and it is scheduled for January 4, 5, & 6, 2021. As several of the options include hands-on projects, we are always looking for projects. For instance, maybe you have a small wiring project for the students learning about electricians. Last year they added lights and outlets to a garage. Maybe you have a small construction project for those learning about carpentry. Perhaps you have an older tractor that would be good for tinkering for our future mechanics. Workmanship is quite good as all the projects are under the guided hand of a professional. (The garage wiring works dandy and it has not burned down yet.) Please contact Mr. Regnerus with your questions and ideas. Yes, there is a materials cost and the labor cost of the professional. Student labor is 'gratis'.

Hot Lunch

Served at 11:45 AM; **12:05 on Chapel/Assembly Days**) Please provide your own plates & napkins; silverware provided.

From the AD:

The girls basketball team will have their first game on Tuesday, Nov. 24, at River Valley High School in Correctionville. The JV girls will play a ½ game starting at 6 pm and the Varsity game will follow. Be aware that there ARE regulations in place for the spectators. Each athlete is limited to 2 spectators. Passes or wristbands will be handed out. You MUST present the physical pass or wristband to be admitted. Regulations are changing often, so make sure you know what the regulations are before attending the games. I will let you know if things change or are different.

Want to watch the homes games but won't be given a pass? Consider helping out by taking gate. If you work gate, then you can be watch the games as well. Contact Laura Kuiper to sign up. First home games are Dec 1.
