## Students:

Plan to take the December 10 ACT test (the last test of 2022)? The registration deadline is **this Friday, Nov. 4.**

The representative from the Jostens company will be here this afternoon. He will meet with the sophomores about class rings and with the seniors about graduation caps and gowns. No money is needed today as he will take orders at a later date.

Prof. Huizinga led us in chapel this morning. Feel free to ask the students about the chapel!

## General:

We've had some nice offers from parents and supporters regarding J-term. There's room for more! Feel free to reach out to the office if you would like to share your craft with a group of students on January 3, 4, and 5.
