*"Let us hear the conclusion of the whole matter: Fear God, and keep his commandments:
for this is the whole duty of man." Ecclesiastes 12:13*

Rev. Kleyn will lead us in chapel on Thursday, November 16, at **10:50 a.m.** All are welcome to join us.

Students are reminded to keep their belongings picked up in the locker rooms. They should check the lost-and-found for missing items.

We're urgently looking for someone who enjoys working with high school girls to lead the sewing sectional for J-term. We have moms who will assist; it's the leader that we're lacking. Please contact the school office to volunteer. Mornings of January 3, 4, and 5.

The Senior class will be hosting the annual alumni basketball game on **Thursday, November 16** with the girl's alumni game starting at 5:30. A babysitting room will be provided for those who play, and the concession stand will also be available. We are looking forward to a fun night at Trinity Christian High School.

NICSTO Update: 7 families have applied for NICSTO. Please consider supporting these families by contributing to this program. All donations will receive an Iowa tax credit worth 75% of the donated amount. Contribution forms are available at the school office and will be sent out as well. If you have any questions about the program or how to contribute, please contact Joel Westra, Treasurer, at 470-1095.

The 2023-2024 basketball concessions list is on the website. To find it go to Resources > Documents > Athletics. Be sure to look it over so you know when it is your turn to help.

Robotics has a busy schedule these next few weeks. Our first meet was cancelled, so we will start this Saturday in Sioux City. We hope to keep updates through the Tiger Activities Page and the Robotics page through Facebook. We don't have specific details, yet, about times, but generally the team needs to be checked in around 8:00 a.m. The robot will then go through an inspection, and assuming they pass inspection, the team will then have a chance to finish practicing driving the robot, make last minute tweaks and interact with other teams. The matches generally start around 11:00 a.m. All are invited to attend, and you may come for as long or as short as you prefer starting at 8am. Thanks for your support!
